SCHOOL NEWSLETTER – ‘NEWSMUNDI’

At Eumundi State School we have a fortnightly newsletter which is available via our website at www.eumundiss.eq.edu.au. This newsletter is a valuable and informative communication of what is happening and what events are coming up at school.

Parents are encouraged to subscribe to the newsletter to receive the fortnightly link for access. You can do this yourself by visiting the website, going to Quicklinks on the right hand side of the screen and click on ‘enewsletter’.

However, if you would prefer administration to subscribe on your behalf please indicate below.
