Under this agreement for 2014
Eumundi State School will receive $116,774

This funding will be used to:

Increase the percentage of students in year prep – 2 achieving the school benchmark in reading from 85% to 90% and in spelling from 90% to 93%.

Allocate resources to implement the Early Start P – 2 Program and improve teacher capability through focused support, coaching and professional development.

Engage parents in the teaching and learning process through the development of a school tutoring program and the provision of regular parent workshops in literacy and numeracy skills and concepts.

Ensure all students in years 3, 5 and 7 will attain or exceed the National Minimum standard or will have Individual Learning Programs in place to enable each child to reach their potential in Literacy and Numeracy.

Our strategy will be to:
Provide targeted intervention, support and extension programs for all students in the areas of Literacy and Numeracy. The program will be coordinated by an experienced teacher and supported by two teacher aides. To ensure timely intervention and program success student performance data will be reviewed monthly for identified students.
Great Results Guarantee

Our school will improve student outcomes by:

- Employing a .8 FTE teacher to plan and deliver support and extension programs for targeted students in years P-2. ($65 000)

- Employing additional teacher aides for 30 hours per week to assist in the program delivery. ($31 774)

- Purchasing appropriate literacy and numeracy resources to support the program implementation and provide additional professional development and planning time for teachers in the areas of literacy and numeracy. ($20 000)
