

## Eumundi Helping Hands

**Cheaper care!** As a team at Helping Hands Eumundi, we have been advocating for the sector and the need for our families to have cheaper care for their children. Starting July, the 10<sup>th</sup> we will be providing families with cheaper and more affordable care. The changes to CCS will provide up to 50% off fees! This means even more families can access quality programs such as our 'Rise then Shine' before school program, 'Stay and Play' after school program, and our Ultimate Playdate School Holiday programs at a very affordable rate.

In most cases, you don't need to do anything to get the increased rate. If you get CCS, changes to your CCS will be automatically applied from 10 July 2023.

### How can I get help and a better understanding of these changes?

If you get stuck or need any assistance, give us a call on 1300 395 735. If you require more information about the changes to CCS, go to [servicesaustralia.gov.au/changes-if-you-get-family-payments](https://servicesaustralia.gov.au/changes-if-you-get-family-payments)

Below is an example of a 69% average CCS to 82% as of July the 10<sup>th</sup>.
